

I looked over to my maid of honour and she was crying, then looked at both our mums and they were crying too! Ryan wore a bespoke grey Moss Bros suit, with a light blue handkerchief and tie."

TIME TO CELEBRATE

Reception drinks flowed freely, featuring Lucy's favourite, the classic Cosmopolitan, alongside Ryan's drink of choice, bottles of Moretti. Guests mingled over canapés of chicken skewers and mini beef Yorkshire puddings, all while enjoying the sounds of talented wedding singer, Angie Diggins. A wedding-themed crazy golf course added a playful touch, ensuring there was never a dull moment.

As evening fell, the celebration shifted firmly into party mode. The DJ took to the decks, the dancefloor filled, and slices of pizza kept guests fuelled well into the night.

WORDS OF WISDOM

Lucy says, "If you're having an outdoor ceremony, plant a sausage the night before! The weather was perfect. And also, try not to worry about things that could go wrong, or keeping everyone happy, the morning of the wedding you just won't care at all."
